GVPC Family and Friends -

I have an important and exciting announcement that I am happy to share with you. The Executive Committee of Session made the important decision to reopen for in-person worship services on Sundays at 10 AM beginning on Sunday, February 21. We will hold one worship service only each weekend; however, if attendance numbers exceed our capacity, we will quickly add an additional service. Our worship services will continue to be livestreamed on Facebook and the GVPC website each week.

I am excited that we are able to begin reopening, and I look forward to celebrating the season of Lent with you and our congregation.

Grace and Peace -

Pastor Adrian
