December 3, 2020

The Executive Committee of the Session met this morning. On the agenda was a discussion of the status of the current COVID-19 statistics. Given the significant spike in cases, the Executive Committee made the difficult decision to temporarily suspend in-person worship services effective this weekend, December 5/6. We will return to **ONE livestreamed worship service** on Facebook and the church website at **10 AM** on **Sundays** beginning this Sunday morning, **December 6**.

This difficult decision was prayerfully made in the face of the increasing rate of COVID-19 cases, hospitalizations, and deaths in order to keep our congregation, friends, and staff safe.

We will review the statistics weekly and we plan to review our decision monthly. We pray that you will understand and support our decision, as your representatives, and that you will join us online every Sunday to worship together.

We look forward to the day when all of us can gather together for worship and fellowship again.

Members of the Executive Committee
